OBJECTIVES AND DESCRIPTION

Permit Fee Assistance is a City of Vancouver initiative which will offset up to \$1,500 towards development and building permit fees for cultural space projects. Our goal is to help expand and enhance access to safe and legal cultural spaces.

Permit Fee Assistance is offered on a first come, first served basis, until the annual \$10,000 budget is spent.

Eligibility

To be eligible for assistance, you need to meet all of the following criteria:

1. You are a Vancouver-based non-profit organization with an arts and culture mandate.
2. You own your space or have a secure rental tenancy.*
3. You are renovating, constructing, or adapting the use of your cultural space and will be applying for a building/development permit.
Note: In-progress or completed projects are not eligible.
4. Your project is not already receiving a Cultural Infrastructure Grant.

* Secure facility tenure is an eligibility requirement for this grant. To satisfy this grant requirement, your organization needs to provide documentation showing ownership of the space, or secure tenancy. Ownership can be demonstrated with a copy of title search. Secure tenancy can be demonstrated with a copy of the lease, a signed Memorandum of Understanding letter from the property owner, or statements showing an established rental history.

 - If your permit fee exceeds the grant amount, your organization needs to pay the rest.
